The graduating class of Lapwai High School is proud to present the 1971 Kee-Mah-Mar to you. You are invited to join us in the pictorial recollection of our past and present. We hope you enjoy it as we have.

*THE 1971 KEE-MAH-MAR
DEDICATED TO-
MRS. HAZEL TODD*

The class of 1971 would like to dedicate this memory of our Senior year to Mrs. Hazel Todd. She has put many years into keeping our Library in shape and teaching such subjects as Business and Typing.

Mrs. Todd has very patiently taken the time to individually help us with our many problems concerning the Library.

-Thank-you Mrs. Todd-

SENIOR HISTORY

We began our Freshman year in 1968. We were 35 in number and very active in our first year of high school. Both boys and girls were active in the clubs and sports. As Sophomores and Juniors we all participated in most of the clubs and activities.

As Paul Smith led us in our Senior year we were very anxious to end our high school education right. We took our sneak to Flathead Lake, Montana and came back to find Graduation very near. Our Valedictorian was Sid Armstrong and our Salutatorian was Jeff Atkinson.
